7. The final list will be prepared and sent for electronic or online ballot preparation.

GUIDELINES REGARDING CONDUCT OF ELECTIONS

1. The Election Officers, returning officers, deputed staff for election shall coordinate with the Chief Election Officer (in case chosen the options for verification and allow for voting).
2. All elections will be held online mode under the administration of the CEO, SG –elections 2021.
3. All forms related to the election should be submitted as prescribed by the Chief Election Officer.
4. **Nominations for senators shall be invited through Google form** and the final list of candidates will be notified through email after the preliminary process and verification.
5. The CEO will assign staffs for the counting of votes for the SG senators and announce the results, showing the documents online for counting.
6. The Election Petition, if any, may be made to the CEO by a candidate or candidates within 2 hours after the declaration of results by the Chief Election Officer. No election petition shall be entertained after the expiry of 2 hours of the declaration of results.

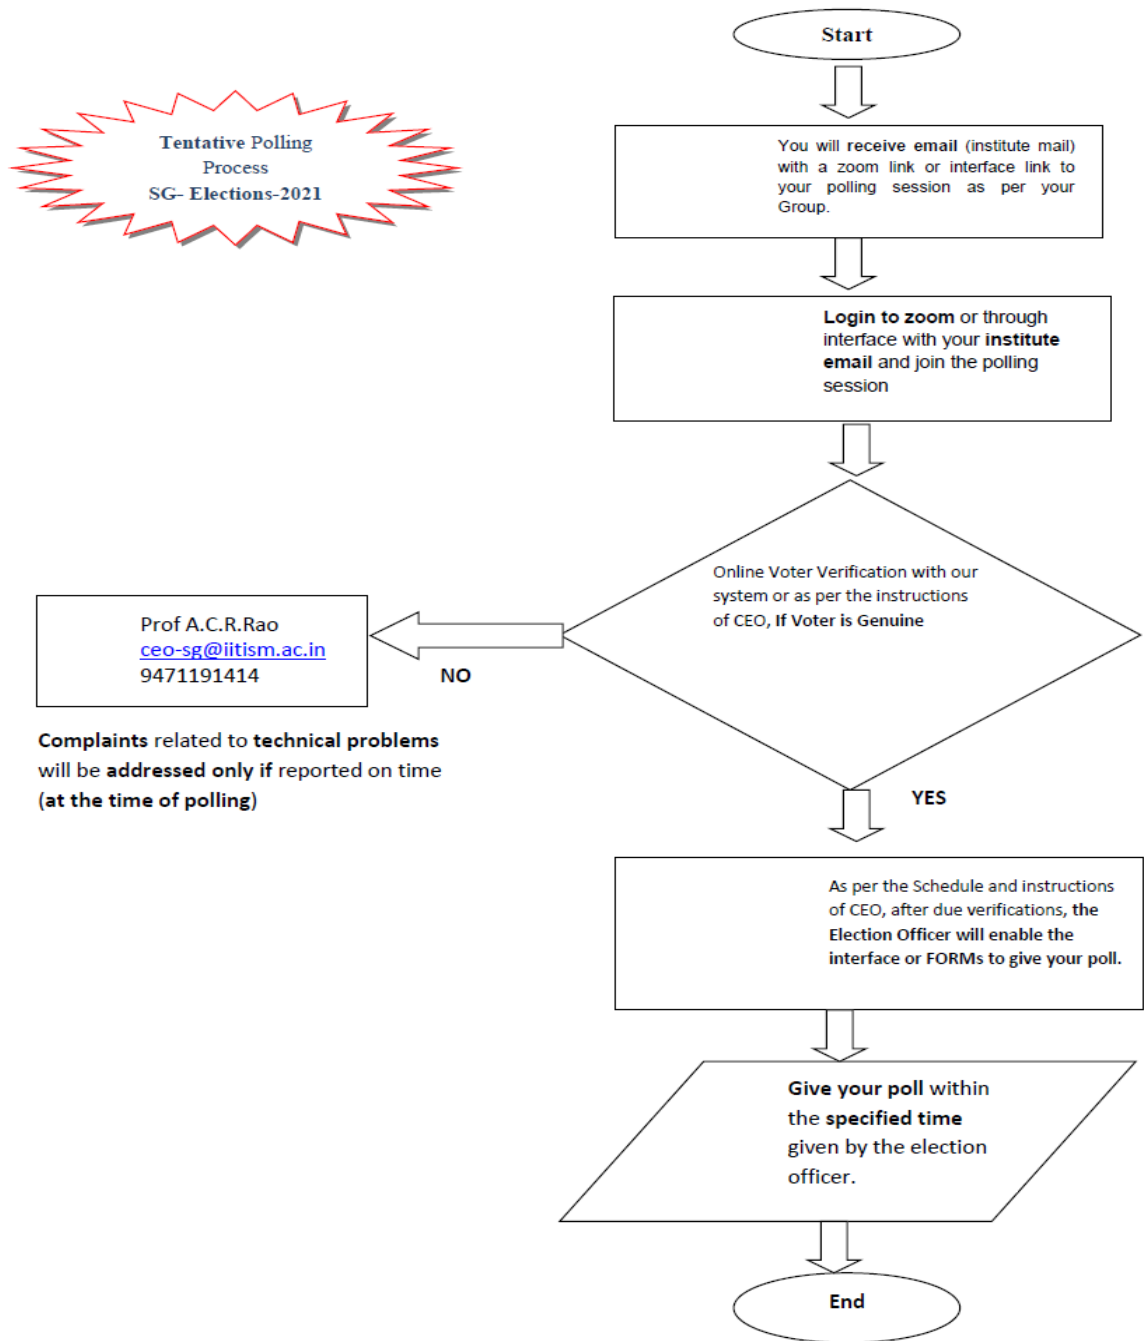

RULES AND REGULATIONS

- An election Manifesto is to be submitted by all candidates as per the format, which will be used for publicity by the CEO through the SG- elections 2021 website.
- For an **online campaign**, the CEO will announce a schedule to address the voters of the respective group.
- Supporters of the candidate who are not students of IIT(ISM) will not be allowed in online meetings by any means. If such cases are found, the students responsible for it will face strict disciplinary action.
- On the day of polling, candidates are allowed to observe the polling process for their satisfaction online from the starting to the closing the voting process in their respective groups. Those contestants who wish to utilize this are requested to report and connect to the Zoom link 30 minutes before the Election. There are screen recordings from the beginning until the end of the voting process, including at the beginning of voting, showing the number of responses stored (usually no responses should be there), sending the downloaded .csv files to Assoc. Dean Student Activity and Dean Student welfare which will be used for final counting.
- All voters at the senate level (Group level) have to choose one out of the list straight away. Senators will be finalized as per the number needed for that group, including Girls reserved. If the girls are in the top list of Gender Neutral candidates, they will be selected as general. Later after the general count, whoever is there in the next girl in the merit list will get the senator position from the girls reserved if posts are reserved in that group. For every 4 Gender Neutral senator posts, there will be one girl reserved in their group.

Counting and Results

- All the contestants have to report 15min prior to the online Counting process (scheduled time as proposed by CEO via zoom or google meet , etc., provided by CEO, SG – Elections 2021. After the counting, Results will be declared by CEO.
- **Tie breaking during counting:** Higher CGPA candidate will get preference and selected, in case of JRF the candidate senior in terms of date of joining will get preference and if date of joining is same the candidate older in date of birth will get preference.

Results: if there is No petition, results will be announced after all the formalities. If there is any petition based on the petition CEO will decide for recounting or necessary action, CEO's decision is final.

Note:

1. CEO, SG –Elections 2021 will forward the procedure **one day before the election** through email **if any modification in the process**.
2. If any **student violates the rules and regulations**, necessary action may be taken through the **DSW office** as per the rules.
